

# IanHFL Lesson Fees

2022-2023

**Monthly Lesson fees never vary and are due the first lesson week of each month.**

30 minute lessons – *\$130 monthly*

45 minute lessons – *\$195 monthly*

60 minute lessons – *\$260 monthly*

Please note that while most months have 4 lessons, some months may have more or less, and the lesson fee will always be the same from month to month. Please review my calendar for our schedule.

**Single lesson fees are due at the time of the lesson.**

Single 30 minute lesson – *\$32.50 each*

Single 45 minute lesson – *\$48.75 each*

Single 60 minute lesson – *\$65 each*

For students taking monthly lessons, your lesson fee reserves your predetermined lesson time for the month and must be paid by your first lesson day each month, even if you will be absent.

All fees have a grace period but must be collected during our first week of lessons each month, as noted on my lesson calendar.

You can pay by using the [Online Lesson Store](#) (which includes a \$5 fee to help mitigate PayPal/Venmo/Square's cut), mailing a check made out to either "Ian Leinbaugh" or "IanHFL, LLC", or, if taking in-person lessons, paying with cash.

You can also set up a lesson fee subscription on my online store, or set up an online bank draft, both of which arguably simplify the payment process! Please let me know if you'd like to mail a check/set up a bank draft and I'll pass along the proper address. ***One important caveat if you go either***

***of these routes, though—you'll need to set up the recurring payment so that I receive it by the 7th of each month!***

While this is stated in my policies, it's perhaps worth mentioning again that your monthly lesson fee reserves your time slot for the month, not a set number of lessons. This keeps the lesson fee at a consistent rate regardless of how many lesson days are in the month, and over the course of a year—as most students take lessons year-round and stay with me for years at a time! —each student receives 43 private lessons, along with three makeup weeks where students can make up one missed lesson from the previous trimester.
